

REMARKS

Claims 1, 3-18, 30 and 32-42 remain pending in the application. Such claims stand rejected solely for obviousness-type double patenting relative to claims 1-6 of US patent number 6,733,835. Submitted herewith is a terminal disclaimer which overcomes such obviousness-type double patenting rejection. Accordingly, claims 1, 3-18, 30 and 32-42 are believed to now be in condition for allowance, and applicant therefore respectfully requests that the Examiner's next action be a Notice of Allowance formally allowing all of the pending claims.

Respectfully submitted,
